 Betty-Lou,

We (Ironclad) are going to buy these completed units back from Meridian as KRC5's. We are short on KRC5's and instead of making more, he is going to sell them back to us after you have completed the Quanta label removal.  
 Can you invoice DRG Strategic (Meridian) for the conversion work you have completed, then receive these into Ironclad stock as KRC5's? we have issued DRG Strategic a PO for these.

Let me know if you have any questions. Also, let me know if the quantity has changed since another week has gone by since you gave me the below numbers.  
 Give me a call if we need to talk through this.

Thanks,  
 Tom

Betty-Lou,

I wanted to check status and see if I can get a breakdown on how much has been completed so far?  
I believe we said that after the first 3 weeks, we would look to move what had been completed. I think it has been 3 weeks if not mistaken.

Thanks,  
Tom
